Standard Banner Colors are designed to match our Standard Fabric Colors, while we make every effort to match the colors variation will occur as the printing process and material / fabric used are different.

Please Note:
All artwork is printed in CMYK, please convert all PMS or RGB artwork to equivalent CMYK colour break downs. Please be aware that slight colour variation may occur in the printing process as colors displayed on a monitor can change when printed. Place artwork in the Design Layer of this document.

This template is designed at a 10% scale of the final product. Rasterised artwork supplied at 300dpi to suit this template size is the minimum requirement for a high quality final print.
